

FULL-TEAM ACCOLADES

UNDEFEATED LEAGUE PLAY LEADS TO INDIVIDUAL HONORS

The girls golf team went undefeated during the regular season, going 5-0. To top it off, all team members finished in the Top 8 in GWAL championship, placing first as a team with a 374, and earning the City League title.

"Our most important accomplishment this year was being undefeated in the City League," senior Maggi Duncan said. "I'm very proud of everyone trying their hardest no matter what was going on and bouncing back after having a bad round. I wouldn't change anything about how this season went. It was my last one, and even though I didn't play perfect, I wouldn't change anything about how it went."

At the GWAL championship Oct. 12, senior Nicole Graf led the team with a 92, placing second overall. Junior Lauren Rudy finished third; sophomore Abby Wolff, fourth; Duncan, sixth; sophomore Quynh-Thi Nguyen, seventh and freshman Elea Navarro, eighth. "Some of the most memorable parts of the season for me were winning some of the City League tournaments as an individual and going undefeated in City League," said Graf, who finished first in the LW Clapp Tournament and led her team in placements in five tournaments.

All six varsity members earned spots on the

City League team with Duncan, Graf, Rudy and Wolff being named first team All-City. Navarro and Nguyen were named second team All-City.

"The most important accomplishments [of the season] were that we finished second or better in every regular-season tournament, [and] won GWAL with all six players being named first and second team all-City," head coach Dan Harrison said.

At the regionals tournament Oct. 11 at Crestview Country Club, KMC finished with a team score of 384, placing second behind Andover, with a team score of 384. Rudy was the highest placer in fourth, with a score of 94. This score qualified the team for the state meet.

"For regionals, I played every day at CCC (Crestview Country Club) that week and on the weekends I played all 18 [holes] and then went back over them," Rudy said. "I think I did well because the course was familiar, and also all the times that I played it."

At the state competition at Hesston Golf Course Oct. 16, KMC placed seventh out of 12 with an overall score of 380.

"State was very nerve-wracking," Wolff said. "There were a lot of schools there and a lot of talented golfers. We were ready to place and confident in ourselves. We just had to smile through it and play to the best of our abilities."

IM VERY PROUD OF EVERYONE TRYING THEIR HARDEST NO MATTER WHAT WAS GOING ON AND BOUNCING BACK AFTER HAVING A BAD ROUND.
-SENIOR MAGGI DUNCAN

WOULD YOU RATHER: BE STRANDED ON A DESERT ISLAND BY YOURSELF OR WITH THE PERSON YOU HATE THE MOST?

CHRISTOPHER BOLESKI, 9
"I would want to be with the person I hate the most because I would have someone to talk to and they could help out."

KENZIE LINDELL, 10
"I would rather be with someone I hate because I would hate being alone."

EMERSON LANK, 12
"I would much rather be with the person I hate the most than being all alone. Not having anyone with me could get pretty lonely and boring."

Q: IF YOU DIDNT SLEEP, WHAT WOULD YOU DO WITH YOUR TIME?

FRESHMAN LANE DOERR
"I would watch a lot of Netflix because I would have nothing better to do."

SOPHOMORE JACOB STEFFEN
"I'd spend way more time in the gym getting swole. I want to get stronger and becoming a better athlete but, school tends to take up a lot of my time."

JUNIOR ANNA KENNEDY
"If I didn't have to sleep I would hang out with my friends more and stay out all the time because sleep takes up a lot of my time. So, I would have more time to socialize."
